Citizen Inquiry Form
City of Chariton

Completed Citizen Inquiry Forms will be included in the next available Council packet for review by City Council members. The name and address of the citizen submitting the form will be recorded on the Council agenda for that meeting. The City Council members will decide if further action is necessary at a subsequent meeting.

Inquiries brought before the Council should be limited to policy issues. Operational and personnel matters should be reported directly to City Hall. Forms must be completed and signed to be considered. They can be dropped off at City Hall, mailed to 115 S. Main Street, Chariton, Iowa 50049, or emailed to citymanager@chariton.org. Council meetings are held on the first and third Mondays of each month at 5:00 pm.
